BOOK SYNOPSIS

REAs PRAXIS II: Middle School Mathematics Test Prep with Online Practice Gets You Certified and in the Classroom! Nationwide, more than 4 million teachers will be needed over the next decade, and all must take appropriate tests to be licensed. REA gets you ready for your teaching career with our outstanding library of Teacher Certification test preps. REAs PRAXIS II: Middle School Mathematics (5169) test prep is designed to help you master the information on this important exam, bringing you one step closer to being certified to teach middle school math. Its perfect for college students, out-of-state teachers, and career-changing professionals who are looking to teach middle school math in states where this exam is required. This study package contains in-depth reviews of all the content categories and topics tested on the PRAXIS II: Middle School Mathematics exam. A pretest and posttest are offered online to help you pinpoint strengths and weaknesses as you study the review chapters. The book includes two full-length practice tests based on actual PRAXIS questions and features every type of question, subject area, and skill tested on the exam. Two additional practice tests are offered online at the REA Study Center and come with automatic scoring, timed testing conditions, and diagnostic feedback to help you zero in on the topics and types of questions that give you trouble now, so you can succeed on test day. This test prep is a must-have for anyone prepping for the PRAXIS II: Middle School Math exam!
